ABOUT US

Primelight Solutions Ltd is a forward-thinking IT and online company based in Kenya. We specialize in Edu-Tech platforms, software solutions, POS systems, custom websites, and e-commerce development. Our services also include the supply of IT and office equipment, security system installations, and strategic consulting. With a strong focus on innovation and reliability, we deliver personalized, high-impact solutions that drive digital transformation. Our expert team ensures seamless integration, long-term support, and measurable results for clients across various sectors. At Primelight, we combine technology, creativity, and client-focused service to build trusted partnerships that empower institutions and businesses to grow in today's competitive digital environment.

PRIMELIGHT
SOLUTIONS LTD

VISION

At Primelight Solutions Ltd, our vision is to lead in digital innovation by delivering purposeful, transformative solutions. We aim to empower organizations through seamless technology, adaptive strategies, and intelligent systems. By fostering creativity and excellence, we strive to shape a future where businesses grow smarter, faster, and with lasting impact across every sector we serve.

VISION & MISSION

MISSION

Primelight Solutions Ltd is committed to delivering smart, scalable, and innovative IT and software solutions that empower organizations to thrive in a digital-first world. We focus on providing client-centric services that drive operational efficiency, improve security, and support sustainable growth. Through continuous innovation, expert guidance, and seamless integration, we help businesses and institutions achieve measurable results and long-term success in today's fast-paced and ever-evolving technological landscape.

CORE VALUES

INTEGRITY

We uphold honesty, transparency, and accountability. At Primelight Solutions Ltd, integrity shapes our actions, builds trust, and ensures ethical relationships with clients and partners.

EXCELLENCE

Excellence guides everything we do. We are committed to quality, continuous improvement, and delivering outstanding results that exceed expectations and add value to our clients.

INNOVATION

We embrace creativity and forward-thinking. At Primelight Solutions Ltd, innovation drives our solutions, helping clients stay ahead in a fast-evolving digital landscape.

CLIENT-CENTRIC

We prioritize clients' needs and satisfaction. At Primelight Solutions Ltd, exceptional service and responsiveness build lasting partnerships and deliver real value to customers.

OUR SERVICES

Software Solutions

We develop and deliver cutting-edge software like PriMsMART School Management System, PrimePOS, and Prime-eCommerce, designed to improve operational efficiency and support business growth in education, retail, and online commerce sectors.

IT Supplies and Consulting

We provide a wide selection of IT and office supplies along with expert consulting services to help your business choose and implement the best technology solutions tailored to your unique operational needs.

Security Installations and Supplies

We specialize in installing advanced security systems and supplying reliable security equipment to safeguard your premises, assets, and people, ensuring peace of mind through trusted protection solutions.

WHY CHOOSE US?

INDUSTRY EXPERTS

With hands-on experience and deep industry knowledge, our team delivers smart, future-ready solutions. We understand evolving technologies and business needs, combining insight, innovation, and reliability to help clients succeed in a competitive environment.

TAILORED SOLUTIONS

We don't believe in one-size-fits-all. At Primelight Solutions Ltd, we carefully assess your unique challenges and goals to deliver customized solutions that align with your needs. Our client-focused approach ensures every product or service is optimized for efficiency, impact, and long-term value.

PROVEN TRACK RECORD

Primelight Solutions Ltd has consistently delivered results across diverse sectors. Our history of successful projects and satisfied clients reflects our commitment to quality, reliability, and performance. You can count on us to meet expectations and exceed them—every time.

OUR CLIENTS

GOLDERN KENEL MILLS

Golden Kernel Mills is a visionary leader in Kenya's milling industry, offering premium flours and innovative services like Milling-as-a-Service (MaaS) for schools. Their commitment to quality, sustainability, and customer satisfaction sets them apart. We are proud to support their digital transformation and operational excellence.

SAMTECH SOLUTIONS

Samtech Solutions offers more than phones—they provide access to the latest technology. Committed to quality and customer satisfaction, their expert team ensures clients enjoy cutting-edge products and excellent service.

GOEBAY TRAINING INSTITUTE.

Goebay Training Institute uses Primelight Solutions' software to streamline learning and administration. Beyond website creation, they use digital tools that improve training and student management, supporting their mission to deliver quality education.

and many more ...
